

D 4.1 Organisation of the Educational BrainTwin Board

Project Title	Development of a world-level neuroengineering research centre by European twinning
Project Acronym	BRAINTWIN
Project Number	952378
Responsible author(s)	Mircea TRIC

This project has received funding from the European Union's H2020 Programme for Coordination and support action under grant agreement no 952378.

Document control sheet

Work Package Number	WP4
Work Package Title	Raising the research profile of early stage researchers in Romania (TUIASI)
Task Number	T 4.1
Task Title	Building the Educational BrainTwin Board
Deliverable Number	D 4.1
Deliverable Title	Organisation of the Educational BrainTwin Board
Number of pages	4
Dissemination level	Public
Main author	Mircea TRIC
Contributors	Elena-Gabriela Iftode
Quality Assurance	xx

Executive summary

This document refers to the organization of the Educational BrainTwin Board according to the management structure and procedures specified in the project, the attributions and responsibilities of this operational body and its role in accomplishing the objectives of WP4 - Raising the research profile of early stage researchers in Romania (TUIASI), WP Leader – Fraunhofer.

Overview on the goal and main objective of WP4

The goal of WP4 is improving the scientific excellence of early stage researchers in Romania.

The main objective of WP4 is to improve scientific excellence of early stage researchers including BSc, MSc and PhD students at TUIASI and other universities in Romania in the fields of:

- Design of the acquisition/processing/storing pipeline for neuro-imagistic data
- Innovative technologies for quality enhancement of data provided by neuro-imaging equipment
- Using AI for early detection and discrimination between various neuro-disorders
- Hardware / software solutions for e-assisted quality of life improvement of patients
- Other neuro-engineering related topics.

Educational BrainTwin Board – structure, attributions and responsibilities

This committee is formed by at least one member from each partner, nominated in the BrainTwin Kick-off Meeting, on 24th September 2020 and confirmed in the 1st Steering Committee Meeting, on 21st October 2020.

The Educational BrainTwin Board:

- Plans and monitors educational process of students in TUIASI and Romania.
- Works in close collaboration with the Twinning Coordination Board to choose proper lecturers/experts for the Schools' and Workshop's Programs
- Monitors the Schools' and Workshop's results.

The Educational BrainTwin Board:

- Meets during the Annual Consortium meetings to make plans for the next year
- Meets online once every three months to discuss ongoing problems.

The nomination and voting of the Educational BrainTwin Board members

The following members were nominated for the Educational BrainTwin Board in the KoM:

- Prof. Irina LUNGU – TUIASI - Head of Board
- Dr. Mircea TRIC – Fraunhofer
- Dr. Enrique SALDAÑA, Dr. David PEREZ- GONZALEZ and Prof. Manuel S. MALMIERCA – USAL
- Ms. Miljana COSIC – S2i
- Mr. Philipp BRUGNER and Mr. Gorazd WEISS (tbc) – ZSI

In the 1st Steering Committee Meeting, Mr. Gorazd Weiss (ZSI) didn't confirm his nomination. Ms. Iuliana Nichersu was also nominated from S2i.

The nomination of the following persons to the Educational BrainTwin Board was approved. No oppositions were made.

- Prof. Irina LUNGU – TUIASI - Head of Board
- Dr. Mircea TRIC – Fraunhofer
- Dr. Enrique SALDAÑA, Dr. David PEREZ- GONZALEZ and Prof. Manuel S. MALMIERCA – USAL
- Ms. Miljana COSIC and Dr. Iuliana NICHERSU – S2i
- Mr. Philipp BRUGNER – ZSI.
